World Records Certificates

Dear Member Association,

First, we would like to apologize for the delay in sending you the enclosed World Records certificates, due to a system failure. We were now able to solve the issue and send you the pending certificates.

FITA is proud to send you the enclosed WR certificates. We congratulate you on all of your hard work and we thank you for all of your contributions to the World of Archery.

We hope that these World Records will herald a time of celebration and be a great incentive for the archers and the association.

Again, congratulations and keep up the hard work.

Please forward the certificates to the archers as a matter of priority (names mentioned on the certificates). The Member Association also received a copy of all Team World Records.

Yours sincerely,
