At the beginning of New Year

Dear Asian archery families,

First of all, I wish you a happy New Year of 2019 with good health. And taking this opportunity, I would like to deliver my sincere appreciation on your endless affection for our sport, archery.

The year of 2018 was one another historic period that we successfully hosted the 2018 Asian Games in Jakarta, Indonesia. At the Jakarta Asian Games, many archers had shown the great matches and advanced performance, and it was delighted to watch new Asian rookies. We could witness the high competitiveness level of our archers, and it is enough to draw enormous attention from archery fans and general public and media.

Beginning with the last Jakarta Asian Games, 2020 Tokyo Olympic Games qualification procedure has been started officially. I believe all of athletes and coaches are stepping forward to the 2020 Tokyo Olympic Games and prepared to obtain Olympic quota at 2019 World Archery Championships in 's-Hertogenbosch,

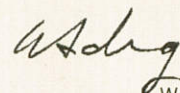

Netherlands and Asian Archery Championships in Bangkok, Thailand.

Moreover, I would like to ask for your lasting cooperation on the forthcoming 2019 WAA development programs; and your active interests and participation on three series of Asia Cup World Ranking Events as well.

I wish you a New Year filled with fruitful outcomes, and I will continue sincerely to cheer for our archer's enthusiasm and ambition.

Once again, I appreciate you all for your continued contribution and dedications, and wish you a great year of 2019!

Thank you very much.
